§ 11-2.5. Fees. [Ord. #3/20/78, A 5, S 1; Ord. #92-11, S 1]

Street opening permits shall not be issued until the applicant has first paid to the township treasurer the fees set forth in the following schedule.

- a. Street openings for the construction of sanitary sewer connections shall be on a total fee basis of \$54.00 each
- b. Street openings for the construction of any other type of installation shall be computed as follows:
 1. Single family residential driveway: \$54.00 each
 2. Multi-family residential/commercial or industrial driveway: \$80.00 each
 3. Other road openings, curbs, sidewalks, drainage improvements, etc: \$80.00 each

The entire amount of the fee shall be retained by the township to cover the cost of inspections.
