

BAT NIGHT!

FRIDAY, SEPTEMBER 15TH 7:15 PM

Bats have a reputation as being spooky or even fearsome, but they are actually some of the most beneficial animals to people, and right now, bats need our help!

Join Conserve Wildlife Foundation (CWF) bat biologist **Leah Wells** in a presentation about these amazing, insect-eating, acrobatic bats in your area, and what you can do to keep them around. Then we'll use an acoustic detector to help listen for and identify bats as they pass overhead!

RIVER ROAD PARK
