SIGN MATERIAL		

The erection of temporary banner or free-standing signs by businesses / organizations within the Business Zones shall be permitted only under the following terms and conditions:

- Banners and signs are permitted up to 45 days per calendar year.
- A maximum of fourteen (14) consecutive calendar days allowed per display.
- Between displays, a NO display waiting period is required – See Example Below
- The maximum permitted display size is eighteen (18) square feet or 10% of the premises' façade whichever is less.
- The display and any supports must not intrude into any driveway, walkway, stairway, sidewalk, or egress path and must not create a danger to pedestrians or vehicular traffic.
- Display of a temporary sign or banner must be approved by the zoning officer.
- A permit must be submitted to the zoning officer who has 14 days to respond.

Waiting Period Example

- Between displays there is a minimum waiting period equal at least to the time of the previous display, e.g. five (5) day display, followed by a five (5)-day minimum wait until the next display may begin.
